ASSISTED LIVING COSTS

Assisted Living Costs are comprised of three main elements: Monthly Rent, Monthly Assisted Living Service Fee and Monthly Care Level Fee determined by a nurse assessment to help create a personalized care plan. Assisted Living Care Levels are in addition to monthly rental fee and assisted living service fee. Included in the assessment is a review of your individual needs and a recommendation of services to meet those needs and meet the safest and most independent level of Activities of Daily Living (dressing, grooming, bathing, mobility and eating). Each recommended service is assigned a point value and the assessment will give you an estimated total number of points to determine your Care Level.

CARE LEVELS

Care Levels are determined by a nurse assessment and are in addition to monthly rental fee and Assisted Living service fee. Additional packages are available as needed.
